Dear Mr. Kasarda:

The Chesterton Branding Leadership Team voted on March 23, 2023, to support the vision of the Duneland YMCA to transform the Chesterton Middle School building and property into a Healthy Living Campus.

We believe this campus will significantly impact every age group within the Duneland communities and beyond, as well as enhance the quality of life and place for the residents of Chesterton and the other Duneland Communities. We also believe this will be an economic engine for businesses in and around downtown Chesterton.

We applaud the YMCA for the bold vision and the dedication to helping make this vision a reality.

The Chesterton Branding Leadership Team looks forward to working with your board and staff to learn more about how we can assist.

Sincerely,

Lorelei Weimer
Board President
